\*Benefits marked with an asterisk (\*) have a fair market value and reduce the tax-deductibility of your gift. Important note: Contributions made from a donor-advised fund, family foundation, or as a qualified charitable distribution (QCD) from an IRA must be fully charitable and are not eligible to receive seats/tables in direct exchange. Please contact your financial advisor for more information about these restrictions. If you wish to support this event with a gift from one of these sources, we suggest you pay out-of-pocket the **full price** of each individual reservation (\$225 per person) you wish to receive, and then contribute the remainder from your charitable account. You are welcome to call MSO's Manager of Grants and Sponsorships, Emmett Sauchuck, at (608) 260-8680 x227 to discuss your plans before contributing your sponsorship.

\*\*Sponsors receive priority access to this event. Non-sponsor reservations will be available for purchase through the MSO's website in April 2024.
